

# INDUSTRIAL ETHERNET

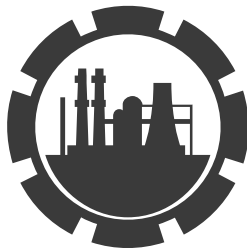

## Description

RFI's Industrial Ethernet series provides you a solution to support multiple applications such as military networking, pharmaceutical laboratories or some units that are supposed to work under harsh environments where exposure to liquid or dust would likely occur.

## Features

- Suitable for outdoor environment
- Protection & prevent the network parts from moisture, dirt, mists for quality connection
- Prevention from temporary immersion for 30min. in 1-meter depth of water

- Harsh & Industrial Appliances

- IP 67 Compliant

## INDUSTRIAL KEYSTONE JACK | INDUSTRIAL ETHERNET

RJD-5ESH57S-07L

RJD-60SH57D-07L

### Ordering information

Part No.	Description
RJD-60SH57S-07L	Cat.6 STP Industrial keystone jack
RJD-5ESH57S-07L	Cat.5e STP industrial keystone jack
RJD-60SH57D-07L	Cat.6 STP industrial keystone jack, w/ dust cap
RJD-5ESH57D-07L	Cat.5e STP industrial keystone jack, w/ dust cap

## INDUSTRIAL BULKHEAD COUPLER | INDUSTRIAL ETHERNET

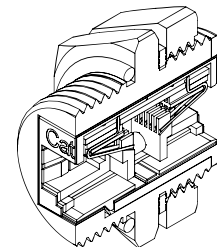

RJD-5ES057S-07L

RJD-5ES057D-07L

### Ordering information

Part No.	Description	Features
RJD-60S057S-07L	Cat.6 STP Industrial bulkhead coupler	
RJD-5ES057S-07L	Cat.5e STP industrial bulkhead coupler	
RJD-60S057D-07L	Cat.6 STP industrial bulkhead coupler, w/ dust cap	
RJD-5ES057D-07L	Cat.5e STP industrial bulkhead coupler, w/ dust cap	

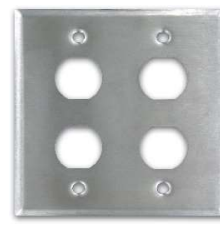

## FACEPLATE IP 44 COMPLIANT | INDUSTRIAL ETHERNET

RWP-57B5551-00L

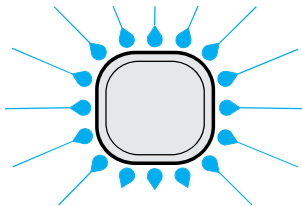

RWP-57B5552-00L

RWP-57B5554-00L

### Ordering information

Part No.	Port	Description
RWP-57B5551-00L	1	Single gang faceplate, stainless steel
RWP-57B5552-00L	2	Single gang faceplate, stainless steel
RWP-57B5554-00L	4	Double gang faceplate, stainless steel

#### Features

IP 44 compliant.  
Prevented from splashed water from all direction.

## SURFACE MOUNTING BOX IP 67 COMPLIANT | INDUSTRIAL ETHERNET

RWP-57WPMBI-00L

### Ordering information

Part No.	Description
RWP-57WPMBI-00L	Industrial surface mounting box

## PATCH CORD | INDUSTRIAL ETHERNET

RCP-60INXXX-00L

RCP-60INXXX-C0L

### Features

Protective Cap for Un-used Connector in harsh environment

### Ordering information

Part No.	Description
RCP-60INXXX-00L	Cat.6 STP Industrial patch cord
RCP-5EINXXX-00L	Cat.5e STP industrial patch cord
RCP-60INXXX-C0L	Cat.6 STP industrial patch cord, w/ protective
RCP-5EINXXX-C0L	Cat.5e STP industrial patch cord, w/ protective

\* [ XX ] = Length

## ACCESSORY | INDUSTRIAL ETHERNET

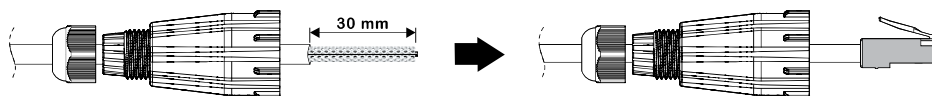

RTL-57WPAD0-00L

### Ordering information

Part No.	Description
RTL-57WPAD0-00L	Waterproof assembly kit for outdoor cable

### Application

1. Strip the cable jacket approximately 30mm, spread each pair and crimp the modular plug.

2. Mate the modular plug with socket, and screw tight the body. The mating connection is waterproof.
